

I Am a Pilgrim

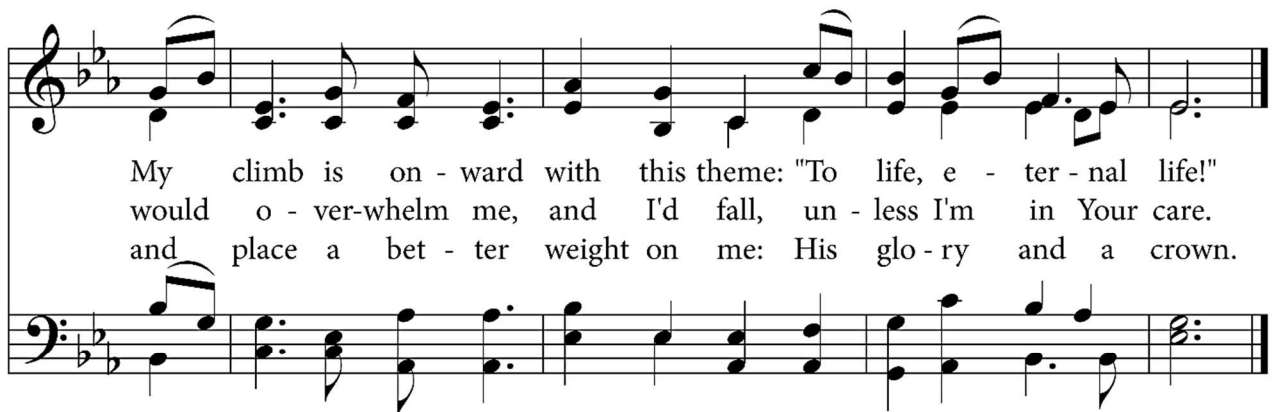

1. I am a pil-grim on my way from earth to heav'n a - bove.
2. Lord, for my prog-ress send me here a faith - ful, hope - ful friend;
3. Ce - les - tial Ci - ty, here I come! Lord, may You o - pen wide

God's Book will guide me, so I'll stay with - in the lines of love.
a fel - low pil - grim who can cheer me on to jour-ney's end.
the gate of heav - en's hap - py Home that I may there a - bide.

Tho' end - less now the road may seem and bur - den - some the strife,
But Christ, I need You most of all, for dark, de - spond, de - spair
Then Christ will set this bur - den free that's al - ways weighed me down,

My climb is on - ward with this theme: "To life, e - ter - nal life!"
would o - ver-whelm me, and I'd fall, un - less I'm in Your care.
and place a bet - ter weight on me: His glo - ry and a crown.
